

Response to Notice of Non-Compliant Amendment
submitted October 2008

[001] This is in response to the Notice of Non-Compliant Amendment dated 19 September 2008.

[002] Amendments

We request that an amendment to the specification be entered, as detailed on the attached sheet.

The amendment is the addition of a new sentence, to be entered after the title and before the paragraph numbered [001] of the as-filed specification. The title and paragraph [001] are included in the attachment to show the context.

[003] In response to the Notice, we now elect claims 1-30.
